WORK EXPERIENCE

Project Manager

Edu Masters

August 2023-
September 2024

From September, 2023 I have been working for Edu Masters LC as a manager which its 700+students make it the largest learning center in Kasbi, Kashkadarya. With working whole staff of such a great learning center, I learned management, HR and communication skills in previous 10months.

Internship Frontend Developer

CodeTech

April 2023 -
July 2023

During my six-month internship at this IT company, I've been learning a lot as a junior frontend developer. I've picked up new technologies like Tailwind CSS and Ant Design, which have really helped me grow my skills.

Support Frontend Teacher

IT Park

May 2022-
December 2022

After graduation of Frontend course in IT Park, I got offer from IT Park Kashkadarya for teaching foundation courses of frontend development which mainly includes young generation.
