WORK EXPERIENCE

Administrator	August 2023- Now

Edu Masters

From September, 2023 I have been working for Edu Masters LC as a manager which its 700+students make it the largest learning center in Kasbi, Kashkadarya. With working whole staff of such a great learning center, I learned management, HR and communication skills in previous 8months.

Internship Frontend Developer	Aprel 2023 - Jule 2023

CodeTech

During my six-month internship at this IT company, I've been learning a lot as a junior frontend developer. I've picked up new technologies like Tailwind CSS and Ant Design, which have really helped me grow my skills.

Frontend Teacher	May 2022- December 2022

IT Park

After graduation of Frontend course in IT Park, I got offer from IT Park Kashkadarya for teaching foundation courses of frontend development which mainly includes young generation.
